Join us for Summer Camp

@ LearningRx

All Weekly Camps Run Monday thru Thurs 9-noon

June
8-11

Intro to Mental Math Camp

Introducing the tips & tricks to make math, including fractions/%/decimals, easy for the brain. Designed for all ages to challenge the brain to think mathematically.

Developing Readers Camp

Focus on auditory processing and beginning reading skills designed for the developing or reluctant readers to engage them in reading processes.

June
22-25

July
13-16

Brainy Camp

Intro to brain training for the reluctant learner to understand that learning can and should be fun.

EF Camp

Training attention, focus, & organizational skills for the smart but scattered teen to encourage the brain to organize information efficiently.

July
27-30
